## THANKSGIVING DAY

Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God. Matthew 4:4

# The Editor's Desk

The purpose of the UNITED PENTECOSTAL CHURCH is to "Preach the gospel of Christ Jesus; to publish and distribute religious literature; to establish new churches; to send forth missionaries; to perform any other duties connected with religious work, and to help in any way possible to meet the needs of local churches. To this end we now pledge our prayers, our faith, our life and love, our earthly means of support, and our time, in the fear of God and for His glory alone."

So reads the last paragraph, in the preamble of the Constitution of the United Pentecostal Church. The meeting of the 27th Annual General Conference in St. Louis, Missouri, September 21-26 amply demonstrated this purpose.

## LARGEST GATHERING SINCE THE MERGER

Hundreds of ministers and thousands of Pentecostal people invaded St. Louis to attend the conference, and helped to make the meeting outstanding as the LARGEST gathering of JESUS NAME PENTECOSTAL ministers and laity ever to assemble in conference, in our time. Kiel auditorium became a heavenly place, transformed by the spirit of worship. The prayers, praises and preaching of the Lord's anointed certainly filled this huge assembly hall with a spiritual atmosphere long to be remembered. What a gathering of the faithful; thrilling to behold and blessed to experience, it was truly "good and pleasant."

## UNITY

The conference was characterized by heart-searching prayer, and a spirit of unity upon the part of God's people. A sincere desire, "to both know and do the good and perfect and acceptable WILL OF GOD," was prevalent throughout the entire meeting. It is encouraging to note the consideration given to the long range and forward looking program of the following:

A National Home Missionary Policy. Advancement in the Foreign Missionary Program.

Research for a National Radio Broadcast.

Additional support for our endorsed Bible schools and institutions.

Progress in the Sunday School and Pentecostal Conquerors' departments.

Adoption of Ladies Pentecostal Auxiliary program.

Further information concerning these matters will be found in the minutes of the conference, and reports elsewhere in The Pentecostal Herald.

## CONGRATULATIONS

This conference elected A. T. Morgan of Port Arthur, Texas, as the new General Superintendent for the next two years. Brother Morgan has been the fine pastor of a large going and growing church. May God bless and help him as he accepts the grave responsibilities of this great office.

## HONOR TO WHOM HONOR IS DUE

The retiring General Superintendent is Howard A. Goss. For many many years he has worked hard and served the organization well. This grand old man in the Lord has earned a well deserved rest from this type of service. May God bless him, and make him a blessing as he continues faithful. His rich ministry will be beneficial to congregations throughout our Fellowship.

## TRUTH

It is a thrilling thought, as one thinks of this great conference throng; of young and old; of ministers and laymen; of missionaries and workers; of musicians and singers — the variety which contributes to such an assembly. The thought which thrills your soul is that this great group, which is REPRESENTATIVE of the United Pentecostal Church, is UNITED upon TRUTH. A statement contained in the Articles of Faith of the United Pentecostal Church reveals this TRUTH in language that is both clear and concise, and plain and positive:

"The basic and fundamental doctrine of this organization shall be the Bible standard of full salvation, which is repentance, baptism in water by immersion in the name of the Lord Jesus Christ, and the baptism of the Holy Ghost with the initial sign of speaking with other tongues as the Spirit gives utterance."

## COOPERATION

The importance of cooperation is clearly evident in the light of Bible ratio: "And five of you shall chase an hundred, and an hundred of you shall put ten thousand to flight." Lev. 26:8. "How should one chase a thousand, and two put ten thousand to flight?" Deut. 32:30. According to these scriptural facts, it is possible for two together to accomplish five to ten times as much as one.

What more could be said, to encourage cooperation? Whether in the local church, or in the section, or district work, or if it concerns our general or-

# THE ATOMIC BOMB!

By MRS. LASSIE R. MANLEY Goodlettsville, Tenn.

"For every battle of the warrior is with confused noise and garments rolled in blood; but this shall be with burning and fuel of fire." Isaiah 9:5.

The old prophet, speaking in ancient times out of the inspired wisdom of God, had no idea of the atomic bomb. Nevertheless, he certainly described it—"With burning and fuel of fire."

Man considers the atomic bomb his greatest achievement. It is the ultimate of all weapons, breaking through the limits of the material into the spiritual. It is Lucifer defying the good God. By it insane man warns the Creator that he will destroy creation unless he can have his own way. With fiendish BOASTFULNESS, DECLARING TO A SICK, FRIGHTENED AND WAR-WEARY WORLD THAT IF MAN WANTS THE MILLENIUM NOW, HE CAN HAVE IT. IT IS BLASPHEMY!

It is terrible enough to contemplate radio active rain snuffing out the lives of millions, poisoning every stream, covering the seven seas with rotting corpses of all marine life and even burning up the earth itself.

But even more awful is the spiritual effect. To the cruel and ruthless it is the perfect weapon; to the helpless masses it is a nightmare haunting them night and day.

Yet there is a hope for every man, if he will avail himself of it—Listen to Isaiah:

"The people that walked in darkness have seen a great light." What light? Listen:

"For unto us a Child is born, unto us a Son is given: And the government shall be upon His shoulder and His

Name shall be called Wonderful, Counselor, The Mighty God, The Everlasting Father, The Prince of Peace, of the increase of His government and peace there shall be no end upon the throne of David and upon His kingdom to order it, and to establish it with judgment and with justice from henceforth forever."

Today we are seeing the birth pangs of the world of tomorrow, the "new heavens and a new earth" that will be born in the blood and sweat and tears of Armageddon. The forces of darkness are fast closing in, preparing to make one mighty desperate stand against "that Light" The Prince of Peace, that will be their death struggle.

When we read our newspaper or listen to the radio, we hear of "wars and rumors of wars." There is only one heart that isn't filled with paralyzing fear and dark foreboding, and that is the Christian heart, for "we have seen a great light."

We hear the voice of the Master as He says, "And when these things begin to come to pass, then look up and lift up your head; for your redemption draweth nigh."

If you don't have this hope of assurance in your heart, this fortifying peace in your soul, pause a moment and hear the voice of the only One who can help, listen as the Saviour says, "I am the way, the truth and the life, heaven and earth shall pass away but My words shall not pass away; Come unto Me all ye that labor and are heavy laden and I will give you rest, take My yoke upon you and learn of Me, for I am meek and lowly in heart and ye shall find rest unto

your souls; for My yoke is easy and My burden is light."

The Christian knows no fear of an atomic war. Christ our Saviour has already overcome the forces of evil and darkness of this world when the Devil used his most dreaded and powerful weapon upon Him, death, and yet death could not hold Him, Praise God Forever! He arose from the grave triumphant. Neither can death hold one of His followers. We too, shall arise triumphant. Glory Hallelujah! Listen to His words, "But there shall not a hair of your head perish. In your patience possess ye your souls."

Man has too long blindly put his trust in secular substitutes, cultures, social orders, governments and nations instead of a spiritual faith in God.

Jesus Christ is the only name given among men, whereby we may be saved. (Acts 4:12.) Before Him every knee shall bow in "that day." Then it will be too late. Now is the day of salvation. Why not bow those knees before Him now and give that proud heart into His keeping while there is yet time? May God help you to seek Him while He may be found.

# Presenting Our New General Officials

**A. T. Morgan**  
*General Superintendent*  
 Port Arthur,  
 Texas

Christian greetings to our great United Pentecostal Church fellowship!

My heart is still overwhelmed with gratitude for the great honor you have bestowed upon me when you elected me your General Superintendent.

I know the office I am entrusted with entails great responsibility and I need the prayers and support of all our constituency as I assume the duties of this office.

I shall endeavor by God's help to conduct the affairs of this office as a service to God and to the best interest of the brethren. Again thanking you, I am

Your unworthy servant,

A. T. Morgan.

Brother Morgan has been very active in organization work, in addition to his pastorate. He has served on various committees in times past. He was the district secretary of the Texas district, and also Chairman of the Board of Christian Education of the United Pentecostal Church. As a member of the Missionary Board of the United Pentecostal Church, Brother Morgan was enthusiastic and zealous for the cause. In the month of May, 1949, He made a trip to the missionary field of Jamaica. His visit was an encouragement to Brother and Sister Reynolds, and the workers, as well as a blessing to the work there. May the blessing of the Lord rest upon him as he enters this new field of labor. Let the prayers of the Pentecostal ministers and people be, for the Lord to anoint him with wisdom and strength, and bless him with favor to lead the United Pentecostal Church onward in the days before us.—  
 Acting Editor.

**Oscar Vouga**  
*Assistant General Superintendent*  
 Eastern Zone  
 Winnipeg,  
 Canada

Another General Conference has come and is now history. We do rejoice in the fact that God was present with us in a wonderful way, and pray that the blessing of the Conference shall continue with all our ministers and churches throughout the coming year. Our responsibility becomes greater as we receive light and revelation from God by His Spirit, and we who have received the baptism of the Holy Ghost and the revelation of baptism in the name of Jesus have been entrusted with God's final message of His kingdom. It is our responsibility to preach this gospel of the kingdom to every nation and people on the earth, and if we fail to do so they will not hear, or God will turn to another people who will preach it everywhere. May we forsake self-seeking and cease from endeavoring to have our own way and will done, and turn to Him that His will may be done with utter disregard to our personal welfare or the opinions of men who are walking in darkness.

We sincerely appreciate the confidence of our fellow ministers in re-electing us to this office, and pray that we may be worthy of the confidence that has been placed in us. Do remember to pray for us that we may be enabled of God to perform with all humility of heart and mind the duties that shall be ours in the coming two years. May the riches of His grace rest upon each and every one of you and may He give you many souls for your hire; may we in all wisdom and grace do the work of evangelists, pastors and teachers, missionaries and overseers of His flock, that when He comes He may find us faithful. God bless you, and again, pray for us.

Oscar Vouga, Asst. General Supt.

**O. F. Fauss**  
*Assistant General Superintendent*  
 Western Zone  
 Houston,  
 Texas

I have remarked several times since the recent conference in St. Louis, "Everybody seemed so happy, so cheerful and encouraging." It made one feel like they indeed loved everybody and that everybody (at the conference) loved them.

Our hearts were made to rejoice as we looked back over the past several years when many of us met at the Kiel Auditorium for the first time (1945). God has been great among us. His wonderful TRUTH, which we proclaim, has found its way into many hearts. We have witnessed hundreds who have dedicated their lives to the ministry, in the UNITED PENTECOSTAL CHURCH. Many, many new churches have come into existence, and still we march on, and mean to until He comes. "We then as workers together" shall see even greater victories in the NAME of our LORD Jesus.

With an humble heart and a sense of responsibility resting on me, I will ever seek to serve the UNITED PENTECOSTAL CHURCH in the official capacity to which I was elected to serve in our recent conference.

I appeal to all our membership to help us make this our daily motto: "Giving no offense in any thing, that the ministry be not blamed." (II Cor. 6:3.) Above all things, let us all remember, "The coming of the Lord draweth nigh." And when He comes, may we be able to say, "We have fought a good fight, we have finished our course, we have kept the faith." —Oliver F. Fauss.

# Selected By The General Conference

**W. T. Stairs**  
*Missionary Secretary*  
 Canada

**S. W. Chambers**  
*General Secretary*

**L. R. Thompson**  
*Editor*

To our Herald readers scattered abroad—official greetings in that only name JESUS. The General Conference has seen fit to again choose us to try and serve you as Missionary Secretary for the next two years. We appreciate this confidence and we shall try to do this to the best of our ability and faith. This seems to be the only way we can give expression to the burden of our heart for the Gospel to go to the lost, so we are happy to try our best for you the next two years if Jesus tarries. Through your prayers and support we know God can make this the best two years yet. First of all we must be fully convinced that "all have sinned and come short of the glory of God" and that all men are lost whether we go to them with the message or not. Second, we must understand that angels do not preach the gospel, neither does Jesus our Saviour; but that God has put this job exclusively into the hands of man; He is counting on us doing it. When Cornelius prayed in Acts 10, God heard his cry and sent an angel to him; please note the angel did not preach the gospel, but sent Cornelius to Peter for the message. When Saul of Tarsus was knocked down on the road to Damascus, he said, "Lord, what wilt thou have me to do?" Jesus did not tell him the gospel, but sent him into the city where there was a little ONE God, Jesus Name baptized preacher named Ananias, and said "It shall be told thee what thou MUST do." Ananias baptized him in Jesus Name and he received the Holy Ghost. My friends, God is willing to save anyone; but He is expecting, and waiting for us to go and tell them the "Way of Life." And, "Whosoever shall call upon the NAME of the Lord shall be saved." These are our marching orders. Let us go forward these two years as never before. May there be young lives laid upon the altar of God, and ourselves not spared in the

As I begin another term as General Secretary-Treasurer of our fine organization, I am made to value more and more the work of the Lord and that which He has enabled the United Pentecostal Church to accomplish in such a short time. The United Pentecostal Church has been faced with opposition from every angle but in spite of that, God has kept His hand upon it and through the combined efforts of all has enabled us to accomplish many things for the Kingdom of God. We cannot, however, rest and content ourselves with the achievements of the past when we can look around and see so much that is yet undone. Truly the fields before us are white and ready for harvest and we must do all within our power and ability to spread the message of salvation far and wide and reach as many lost souls with it as possible before Jesus comes. Our responsibility is great and it becomes greater as God continues to bless us.

I am grateful for the confidence which the conference has placed in me by returning me for another term of office and I feel it my solemn duty before God and man to ever conduct myself as becometh a Christian and to be "not slothful in business; fervent in spirit; serving the Lord." Pray for me that I may be true to God and the charge with which I have been entrusted.

S. W. Chambers, General Secretary.

least. We are hoping the time will come soon when there will be individual churches take the responsibility of missionaries' support, and in this way really do more for the Lord. Any churches or individuals interested in this, please write to our office. Thanking you again for your confidence and prayers, I am, your servant in His Name.

Wynn T. Stairs.

We thank God for the privilege of attending the 1951 General Conference, which recently convened in St. Louis, Mo. The happenings of this great Conference has made a lasting impression upon our souls. It has given us a fervent and intense desire to work for the Master as never before. The challenge has been placed before us to, "Be strong and do exploits," for our great God and Savior, Jesus Christ.

We humbly and gratefully acknowledge our appreciation to the General Board and the National Conference for their confidence in appointing us to the Editorship of our publications. We feel, in a measure, the tremendous responsibility of such an important obligation. In ourselves we are incapable of handling such responsible duties, but by the grace of God, who is all sufficiency, we will do our best in this undertaking.

Through the years it has been a pleasure to welcome the Pentecostal Herald into our home. Its messages, field reports, etc., have added encouragement and enlightenment to our hearts. By the help and guidance of our God, we trust the official Organ of The United Pentecostal Church will continue to be a blessing to all who read it.

As only truth can feed the mind and hearts of men, it is our desire to bring to our people the best and most wholesome of reading material. It is the truth that is concealed in its pages that makes the essential greatness of the Pentecostal Herald. We humbly ask for your cooperation and prayers, as we endeavor to serve you faithfully and honorably in this great phase of the work of God. May God bless you.

I am humbly grateful for the confidence placed in me by this great church in selecting me for this position of service. I shall count it as such; an opportunity to serve the Pentecostal youth. I shall always remember that I am accountable, first, unto God; and then unto my fellow-laborers for the way that I render my service.

Calvin L. Rigdon

Progressive and forward looking projects that will help to spread this great gospel are being considered by the Pentecostal Conquerors. The success of our efforts will depend upon the enthusiastic cooperation of the District Presidents of the various districts, and of all young people throughout our fellowship. We are counting upon you.

I shall endeavor to visit all the districts possible at their request for their Master Rallies, Youth Conferences, etc. May God bless the PENTECOSTAL CONQUERORS, and all the District Presidents and other leaders in this endeavor for Christ for our youth.

Calvin L. Rigdon,  
216 E. Jackson St.,  
Carbondale, Illinois.

Rev. Calvin L. Rigdon, Carbondale, Illinois, was chosen as International President of the Pentecostal Conquerors at the recent conference.

Brother Rigdon has been active in the work of the Pentecostal Conquerors for a number of years. He has served the Illinois District in the capacity of District President for five years, 1946-1951. During that time the work has continued to progress, with many forward moves being taken by the Conquerors.

Just before the National Conference in Long Beach, California, three years ago, Brother Rigdon was appointed to serve as Conquerors' Editor, to provide the Pentecostal Herald with material related to the work of this great youth work. He has served in that capacity since that time.

Bro. Rigdon evangelized for a time, preaching in a number of states. He was pastor of the Full Gospel Church of Grayville, Illinois, for almost two years. He is presently pastoring the First Apostolic Church of Carbondale, Illinois, and reports the blessing of the Lord on the work there.—M. J. Wolff, Acting Editor.

Ruby Keyes

Sister Ruby Keyes, Portland, Oregon, was selected by the 27th Annual Conference for General Secretary - Treasurer of the Pentecostal Conquerors.

Sister Keyes has proved to be a successful leader of young people. She has served as District President and

is presently serving in that office for the Northwestern District of the United Pentecostal Church. Her vision and burden for the work have caused it to move forward through the years. She strives to secure consecration and dedication among the young people.

Sister Keyes was first selected to serve as General Secretary of the Conquerors at Long Beach, California, in 1948. She was chosen again at the Duluth, Minnesota, conference in 1949, and is elected this year for a third term.

She serves faithfully and devotedly for the interests of the Pentecostal young people. May God bless her as she continues to work for the Lord in this important post.

All Pentecostal Conquerors' funds should be sent to Sister Ruby Keyes. Remember this Address: Ruby Keyes, 3753 N. Overlook Blvd., Portland, Oregon.

## THE CONQUERORS WORSHIP at the GENERAL CONFERENCE GREAT NATIONAL YOUTH RALLY ON SATURDAY

The entire morning service and evening service of Saturday was dedicated to the work of Young People of the United Pentecostal Church. The great rally got off to a start by being called to order at 9:30 a. m. by Brother Stanley Chambers. Brother Chambers had been appointed to oversee and direct the work of the PENTECOSTAL CONQUERORS at the conference. Brother Joseph Moore, the former International President of the Youth group had resigned sometime previously because of ill health.

As time permitted, various district presidents were called upon to make reports of the work in their section of the country in the following order: Brother Lloyd Spenser, Oklahoma-Kansas District; Brother Paul Leamon, Ohio District; Brother Edward Kelley, Arkansas District; Sister Bonnie Cullins, Southeastern District; Sister Ruby Keyes, Northwestern District; Brother Charles W. McMichael, Louisiana District.

Special songs were rendered by the Clark Trio of Louisiana, "I'm Free Again," and "When Morning Dawns" by Brother Verle Pilant of Indianapolis.

A message was brought by Brother David F. Gray, San Diego, California. Brother Gray was the first General President of the Pentecostal Conquerors. He spoke of the importance of the Pentecostal Conquerors. He mentioned the fact that it was just five years ago in this same auditorium that the Pentecostal Conquerors came into being. He

stressed the fact that the Youth Department must work for the sake of the young people of the United Pentecostal Church.

Brother O. F. Fauss of Houston, Texas, delivered the final message of the morning, using for his text I Cor. 10:11. His was a challenging, forceful and encouraging message; urging consecration in time of distress like Jacob; determination in time of opposition like Daniel; courage and faith in battle like David; an example in time of temptation like Joseph. It was a message to inject courage, fortitude and determination into the minds and hearts of the Pentecostal Conquerors.

The great evening Youth rally was again called to order by Brother Chambers. Brother Johnny Klemin, president of the Western District, led the congregation in "The Conquerors March." Special songs were sung by Sister Ruth Goss; the Kinzie Evangelistic Party sang, "A Mansion Over The Hilltop"; and the choir, led by Brother Roland Gardner, sang the impressive number, "The Medley Of The Sea." Brother and Sister Cleveland Becton and Sister Corlis Dees sang, "Jesus Is Mine," just before the message.

The Opera House of the Kiel Auditorium was filled with the glory of the Lord. The huge crowd of Pentecostal people filled the lower auditorium, and the balcony accommodated a great number.

The evening message was delivered by

Brother Corlis Dees, pastor of Cleveland, Texas. His text was found in Isaiah 40 and in Matthew 3. His subject was, "Voices and Not Echoes." In this message he emphasized the importance of being a voice, rather than just the easier and more convenient echo. Using John the Baptist as an example, he showed that although it was more dangerous, yet we should be willing to be a voice against evil.

### THE DAILY 6 O'CLOCK SERVICES

The first service of the Youth was on Friday evening at 6 p. m. Sister Ruby Keyes, International Secretary of the Conquerors, brought a stirring sermon from Mt. 5:16-20, "Ye Are the Light of the World."

On Monday evening, Brother Manuel Gaxiola, National leader of the Youth Movement in Mexico, spoke on the subject, "What Is Life?" Brother David Nelson of Forth Worth, Texas, also spoke on Monday night speaking on "What Is a Christian."

On Tuesday evening, Brother J. T. Pugh, Port Arthur, Texas, brought a great message on the subject, "What I Have Written, I Have Written." He stressed the fact that we are constantly writing a record, and that what is written is written.

The final message of the Pentecostal Conquerors was brought by Brother Calvin L. Rigdon on Wednesday evening. His subject was, "Heroes for Truth." He spoke of the need of letting the battle become a part of our lives, and to fight tirelessly until we are finally called off the field of battle for reward.

I am grateful to the ministers and delegates of the 1951 General Conference for their expression of confidence by electing me as the General Sunday School Superintendent of the Great United Pentecostal Church, a work that is very dear to my heart. I have carried a burden and embraced a vision of the unlimited possibilities of this work for several years. My heart rejoices to see the rapid progress that is being made. The outlook for 1952 is the brightest for the Sunday School work in the history of our organization.

I pledge myself to be your humble servant and to cooperate to the up-building of God's Kingdom and the advancement of religious education in every possible way.

E. E. McNatt.

**APPRECIATION**

We extend our appreciation to Brother Joseph O. Moore who served as General President for the past two years. Brother Moore resigned some time before the General Conference because of ill health. We are glad to hear that he is improving, but let us continue to pray that God will touch and heal his body. His work and interests in the youth work are appreciated.

We extend our appreciation to Brother S. W. Chambers for taking an interest in the Youth Work and taking time out of a very busy schedule during the Conference to serve as overseer of the Conquerors' Committee. Bro. Chambers was appointed, in the absence of the General President, to supervise the activities of the Conquerors.

The General Young People's Committee of the Pentecostal Conquerors.

# The 1951 General Conference

As nine o'clock on the morning of September 21, 1951, drew near, the Grand Lobby of the Kiel Auditorium in Saint Louis, Missouri, began to become alive with the various activities pertaining to the beginning of the twenty-seventh annual General Conference of the United Pentecostal Church. Brother Dungan was busy setting up the Pentecostal Publishing House book display, which occupied a very prominent place in the Grand Lobby. Sister Betty Kellick, from the Headquarters office, and Sister Ruth Goss, daughter of the General Superintendent, were busy getting the Registration booth ready to register the incoming delegates and issue the badges for all of the delegates. Brother Winfred Black and Brother Guy Roam were busy at the Reservation booth assisting the delegates arriving for the conference in obtaining sleeping rooms. Inside the beautiful auditorium the stage had all been set up for the seating of the officials and the conference choir, and was well decorated with the colorful flags of the United States, Canada, Mexico, Union of South Africa and the Christian flag. Later on in the conference the Indonesian flag was added to the above group.

A large number of delegates were present for the very opening session of

the conference and the wonderful spirit which prevailed in that meeting was indication enough to all present that God was going to meet with us in the conference and all felt confident that we were about to experience the greatest conference which we had ever attended. In this first service, along with a good song and praise service, we heard welcome addresses by the Saint Louis pastors who were present, Brother Guy Roam of the Pentecostal Church in University City, and Brother Harry Branding of the Apostolic Pentecostal Church in Saint Louis. The response was given by the General Superintendent, Brother Howard A. Goss, after which Brother Goss delivered the opening sermon of the conference. The message of Brother Goss was an inspiration to those present and the many good things which he said were enjoyed and appreciated very much.

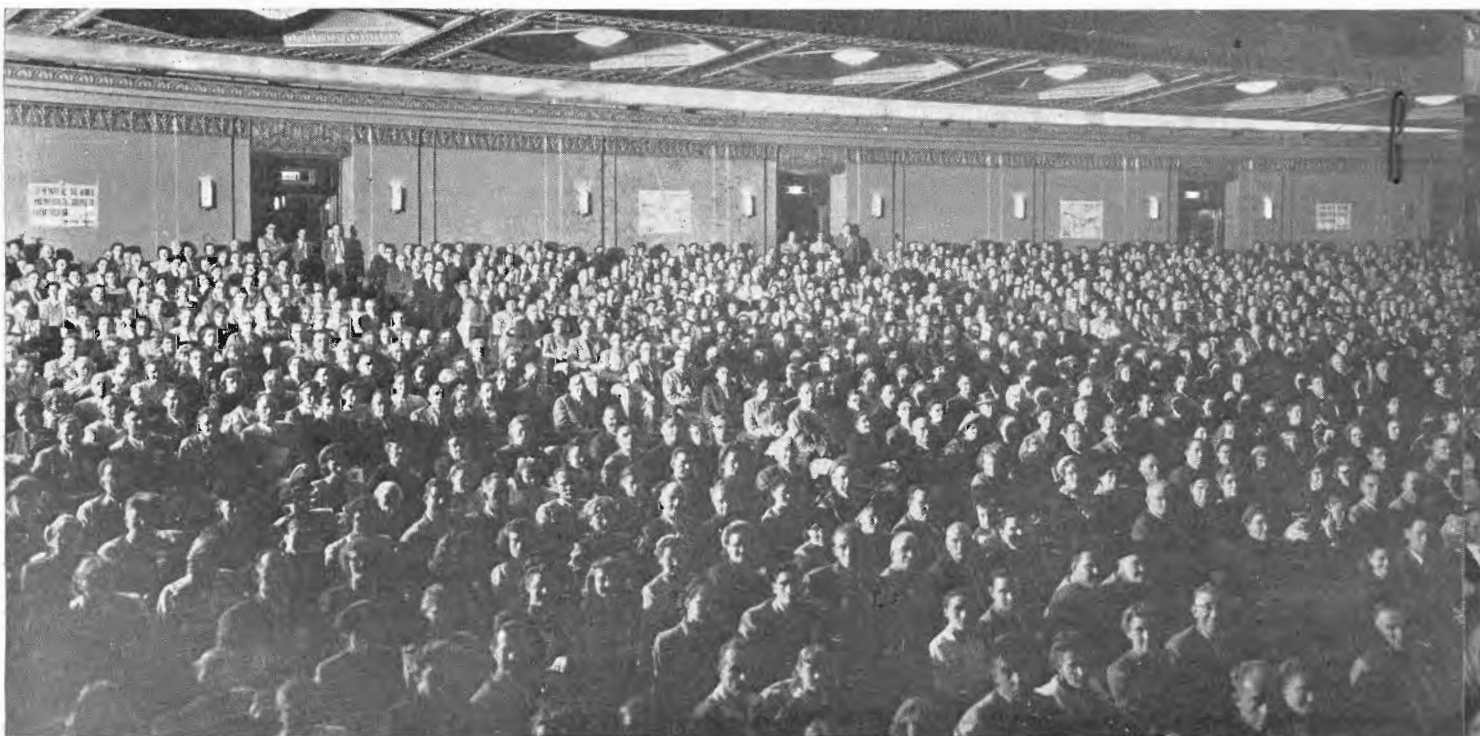

The afternoon session on the first day was devoted to a conference business session, during which time the annual reports of all of the various organization officials were given.

In the night service there was a real spirit of worship present from the very beginning. There were special songs rendered and the conference choir, under the capable leadership of Brother

Roland Gardner, blessed the conference with a beautiful rendition of "Jesus Saves." A fine orchestra had also gathered for the conference and was a real blessing and help to the conference with the splendid numbers given throughout the conference. The speaker for the first night was Brother J. C. Cole of Parkersburg, West Virginia, who delivered to the conference a fervent and inspiring message from the Word of God. A large crowd had gathered in time for the night service and the downstairs portion of the spacious auditorium was nearly full.

The services on September 22nd were devoted to the Sunday School Department and the Pentecostal Conquerors Department and on September 23rd all services were in connection with the foreign missionary work of the United Pentecostal Church. The services on these special days are reported elsewhere in this issue.

On Monday morning, September 24th, a very large group of ministers gathered in Assembly Hall No. 2 for another meeting for ministers only. These ministers' meetings have become an annual feature of the conference and they have proven to be one of the most interesting meetings of the entire conference. Among the subjects discussed in this meeting was the possibility of a nationwide radio broadcast sponsored by the United Pentecostal Church. We are

1951 GENERAL CONFERENCE

hopeful that in the not too distant future this will become a reality and that our glorious message will be sent out over the nation and the world by radio. This is something worthwhile to pray for.

Monday afternoon began the election of officers and there were a total of 477 voters present, which was the largest we have ever had. Brother A. T. Morgan, pastor of Faith Tabernacle in Port Arthur, Texas, was elected to be our General Superintendent for the next two years. The conference also decided that in view of the rapid growth of our work, we should have two assistant general superintendents, one to serve the western zone of our work and the other to serve the eastern zone. Brother Oliver F. Fauss of Houston, Texas, was elected Assistant General Superintendent to serve the Western Zone and Brother Oscar Vouga of Winnipeg, Manitoba, Canada, was elected to serve the Eastern Zone. The adding of one assistant general superintendent is a forward step and should prove to be a great help to our growing work. There being no more time left, the election of the remaining officers was postponed until the next morning.

On Monday night there was another large crowd assembled in the auditorium and there was truly a wonderful spirit of worship in the service. After a good song service and some special numbers, the conference choir brought another beautiful song titled "When The Mists Have Rolled Away." Then Brother Oscar Vouga, Assistant General Superintendent, brought another soul-stirring message from the word of God. It was wonderful to see the people of God from so many different places rejoice in the goodness of God as they left the auditorium that night after another wonderful conference day.

On Tuesday morning the election of officers was resumed and the results were as follows: Brother S. W. Cham-

bers was re-elected General Secretary-Treasurer; Brother Wynn T. Stairs was re-elected Missionary Secretary; Brother Calvin L. Rigdon was elected President of the Pentecostal Conquerors; Sister Ruby Keyes was re-elected Secretary-Treasurer of the Pentecostal Conquerors; Brother E. E. McNatt was re-elected General Sunday School Superintendent; and Sister Helen Hayden was re-elected General Sunday School Secretary. Also, Brother T. R. Dungan was reappointed Manager of the Pentecostal Publishing House and Brother Lester R. Thompson was appointed as Editor of The Pentecostal Herald. Brother Thompson is from Eau Claire, Wisconsin, and we pray that God will bless him in his new work.

Tuesday afternoon was also devoted to conference business during which time a number of resolutions of importance to our work were passed upon. One of these was the establishing of a Ladies Pentecostal Auxiliary for the United Pentecostal Church and the adopting of a policy for this department. We trust that the Lord will bless this new endeavor.

On Tuesday night there was still a large crowd present and the conference was favored with another good message from the Word of God. This time Brother V. A. Guidroz of Baytown, Texas, was the speaker and he addressed the conference in his usual able fashion. Once again there were many happy faces that left the auditorium and wended their various ways to their rooms for the night, feeling that all had enjoyed another great day.

The service on Wednesday morning was given over to the women with Sister Eva Hunt of Pana, Illinois, in charge. There were a number of women ministers who spoke in the meeting that morning and several special songs were rendered by the women. Following the women's meeting, Brother Earl Jacques

of Fredericton, New Brunswick, gave a Bible lesson to the conference and this was a blessing to all who were present. Many favorable remarks were heard concerning Brother Jacques' ministry and it was a privilege for the conference to hear this man of God and able Bible teacher.

The closing business session of the conference was held on Wednesday afternoon. Then on Wednesday night there was a good crowd present for the service even though many had left the conference for home and other places. On this last night of the conference we were favored to hear a very fine message from our newly elected General Superintendent, Brother A. T. Morgan. We trust that all of our people will pray that God will bless Brother Morgan in his new work and give him wisdom as he takes the leadership of our great organization. The responsibilities of such a position are many, but our God is great and will supply every need.

On Saturday night of the conference a check for \$1,000.00 was presented to Mrs. Mark Borrer in payment of the insurance claim brought about by the death of her beloved husband, Brother Mark Borrer of Mattoon, Illinois. This was the first claim paid since the group insurance plan was adopted by our organization and we know that it was much appreciated by Sister Borrer. God bless her.

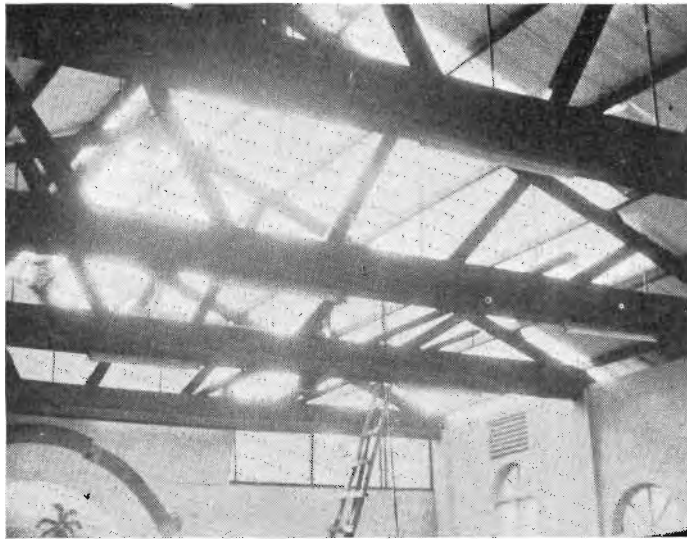

As we left this twenty-seventh annual conference there was a feeling of genuine satisfaction that God had definitely been with us and that great things were ahead for us. The special committees appointed for the conference seemed to function so smoothly, the special singing seemed to be the best ever, the preaching was anointed of God and even in the business sessions we were aware of the divine presence of God. Thank God for another great conference and for our hopes for the future.

SUNDAY NIGHT, SEPTEMBER 23

## Jamaica

This picture shows (taken from inside) part of the roof taken off by the hurricane in Jamaica. The damages done to the new tabernacle and our former headquarters amounted to about \$6,000.00. This is a great setback to the folks of Jamaica and our work there. We had just finished paying for the new tabernacle that was dedicated in April 1951 with over 1200 people present and was clear of debt for which we thank God and the people

at home that stood behind this work so loyally. This work had just become self-supporting, except we support the missionaries, Brother and Sister Reynolds and family, and also gave "Mother" Russell \$75.00 per month. This is the goal we hope to and should reach on EVERY field, that the work take care of their own workers and they will if started and handled right; then the church will move on even if we have to leave. "Mother" Russell pastored and led that work for years. She is now incapacitated on account of old age and hard work for the Gospel. She labored hard for years with the assistance of our late Brother W. T. Witherspoon. Now we are helping her to the extent of \$75.00 per month.

We regret the necessity of coming back to you to ask again for the "Jamaica Building Fund" to be re-opened. But, we must repair these buildings and go on as before. We also regret there was no insurance covering the loss. Will you kindly help us again in this matter? Thank you. Send your offering to the Missionary Department, earmarked for the "repairs on the Jamaica buildings." We regret we do not have more pictures to show of the damage; Brother Reynolds had too many things to think of to get pictures at this time. We are thankful that there was no loss of life among all our people. Some of the country churches were flattened to the ground. Pray for Jamaica.

Wynn T. Stairs.

Kingston, Jamaica  
September 26, 1951

Dear Brother Stairs, greetings:

I received your letter last week asking for pictures of damage on the tabernacle. Now I am afraid you are going to be somewhat disappointed. When the storm came I had no film in my camera, neither did I have any extra one. However, in time, I did get down street and bought four. I had four men here working the next Monday after the storm and by the time I got around to taking these last pictures, things were getting pretty well back to normal. In fact, the storm came on Friday and by Sunday morning we were working getting things back in place. At such times you waste no time but go to work. At any rate I think I should have a picture showing the thirty feet of roof off on the tabernacle.

I can't tell you offhand the amount expended to date but I have spent everything that has been received thus far,

plus considerably over two hundred pounds. The tabernacle is repaired but this building has considerable work to do on it. We just nailed the zinc back on it but the zinc was so torn and twisted that the building leaks badly when it rains. To protect the building it should be shingled and re-plastered inside. However, we will do whatever the Lord provides for. We have only done so far just what was absolutely essential to protect the buildings and to get back to normal. I have put one thousand pounds insurance risk on the tabernacle for hurricane, earthquake and fire but this building is still only insured for fire. The rates here are sky-high. We have a very valuable property here and I would like to see them repaired and protected as much as possible.

We had a wonderful day last Sunday with baptismal service at night. This was the first since the storm. We will have special services in November and a Ministerial Meeting. We may go to the country next month as the gully is torn up behind us and the mosquitos are eating us up and we are feeling tough with a touch of malaria. We have already sent the baby up to Mother Russell's.

Yours in the Lord. R. V. Reynolds.

### Christmas Offering for the Missionaries

This is to remind you of the Christmas offering for our missionaries, this will be divided evenly between all our endorsed missionaries that are away from home, or out on the foreign field when Christmas morning comes.

Send it in, marked "Christmas offering for the missionaries", and each will share alike. **THIS OFFERING MUST REACH OUR OFFICE BEFORE NOVEMBER 30th**, in order to be sent in time for Christmas. Please share with the Missionaries this year.

## From the Land of Japan

We received your kind letter of August 16 and the enclosed draft. We were quite surprised to receive the extra offering. We do want to thank you for it; it encouraged us much and we surely appreciate it.

We trust that you received the information we sent last month concerning holding of property in Japan. May we repeat that it is possible to hold property in the name of the United Pentecostal Church Headquarters of St. Louis, Missouri. To do this it is necessary to have three trustees; one trustee must reside in Japan.

This August we have had different opportunities to minister the Word in several parts of Japan. Toward the middle of August my wife and I went to Karuizawa for nearly a week to get away from the terrible heat spell in Tokyo. Here in the hills we assisted Miss Mabel Daniels and Brother Joseph Murata in their summer Bible School, which they hold during the month of August. Every day there was someone that was coming to the Lord and from one to three or four were filled with the Holy Ghost nightly. Most of these were young people but amongst these was a middle-aged man, a Holiness member for many years and lately acting as an interpreter to some missionaries, who received a marvelous baptism of the Holy Ghost. Truly God is still pouring out His Spirit and we were greatly refreshed in body, soul and spirit during our brief stay in Karuizawa. Then on the 16th of August, the day after I returned to Tokyo, I left for Hokkaido, the northern island of Japan, with Brother Sasabe, one of Brother Murai's members who is attending Ikoma Bible College. We were in Hokkaido a week and during this time 6 received the Holy Ghost. We had an opportunity to preach in a sugar-beet factory compound and here a young lady who had been seeking the Lord and the way of salvation for more than three years was saved and filled with the Holy Ghost. Another day a woman who had been a Christian for some years but had been hungry for a deeper experience and as we told her about the Holy Ghost she sought and was filled according to Acts 2:4. By the way, she had walked 7 miles to come to our meeting. After she received the Spirit, she invited us to her home to hold a meeting and so we walked the 7 miles to her place. The following evening many came out to hear the Word and after the meeting this woman's daughter-in-law received the Holy Ghost. She had been trying to live the Christian life in her own strength and had miserably failed so she was greatly distressed when we first met her. After she received the Holy Ghost, I wish you could have seen the vast difference in her face! Then Brother Kishino's (the young man who invited us up there) friend and two older brothers were also filled with the Holy Ghost. We truly thank the Lord for these souls who were saved and filled with the Spirit during our trip to Hokkaido.

Hokkaido has a population of 4,300,000 and it is a good field for pioneer work—many places have not as yet been reached with the Gospel. There is only one Pentecostal Church on that island. We visited many places where the Holy Ghost message has never gone. The capital city of Sapporo has no Pentecostal work at all.

# Missionary News

The Missionary Board has approved the building of a new church building out at Bomi Hill Station in Liberia. This is a necessity and when completed can be used for both church and school. This will involve at least \$3,000.00, but will be a great help to our work in every way. We hope to lift the standard of the school to a high degree, which will give us a good standing in the sight of the government. The government will give our location to some other society if we do not have schools. It is a MUST with the government of Liberia that each Mission Society run schools for the children; but we do not have to board them; they can board at home which is a great saving.

Also we need to build at least two permanent homes for our missionaries at Bomi Hill as the present ones are only temporary and in the course of three or four years they fall down, being built native style. The new ones will be with cement pilasters, filled in between with dried brick and plastered and a metal roof. We will need at least \$4,000.00 for the houses and school but they will last for years and perhaps until the Lord comes. Pray and help us on this worthy cause. Just send it in designated for the new church and homes at Bomi Hill. **Wynn T. Stairs.**

The Missionary Board has voted to raise money for a new car for the work in India. Brother Scism only has an old army jeep and it is well-worn and very uncomfortable for him and Sister Scism on their long journeys. While I was with them I rode in this jeep several hundred miles and it was hard indeed over those roads and even at its best it is hard and uncomfortable. Also the jeep is about worn out. Brother Scism put over \$200.00 repairs on it this year, and it is not fit for the job. We can buy a new four door sedan Chevrolet from the General Motors in New York for less than \$1,500.00 but the freight and duty will be high. We will need at least \$2,500.00 for this job.

Also approval has been given for a headquarters church for our work in South Africa at Pretoria. This will serve a double purpose, in fact, three purposes:

- (1) Serve our local congregation in the midst of about 40,000 natives.
- (2) It will be our native headquarters for all South Africa and our native conferences will be held in it.
- (3) It will lift our standing in the eyes of the Government.

The District of Louisiana has already raised over \$1,000.00 on this church. We hope about three or four thousand will do the job for the glory of God in that land.

A list of our endorsed and approved missionaries as being published in this issue of the Herald are the ones we recommend that you support. Why should we support those that do not wish to belong to us and work with us? Let the group or organization of their choice support them. Or why should you support those not worthy of our endorsement?

I would like to buy a used accordion for my own use in Village street work in the mountains of Kentucky. If you have one that would be reasonable in price, please write — Marie Pessing, Apostolic Gospel Mission, Garrett, Ky.

Brother and Sister W. L. Mowatt will be sailing this Fall to Ceylon (possibly by the time you read this) to assist Brother James Burns who is doing a commendable work there among the 8,000,000 inhabi-

tants of that island; ninety per cent of Ceylon is Buddhists; all government officials are Buddhists and the influence is felt greatly. One Roman Catholic priest went down there from Italy and is now a Buddhist priest. Also one Salvation Army man is now a Buddhist. Brother Burns has two good native workers and a missionary from England is now working with him. Brother and Sister Mowatt will be a great help to the work. Please pray for this island and our work there that God will strengthen their FAITH. "Faith is the victory."

The following resolution was passed by the Missionary Board at the recent General Conference:

"Whereas it appears that the Missionary Department is handling more money than what they actually are, and leaving the wrong impression, be it resolved that we do not give credit in the Herald for money sent direct to the Mission Field by the donor or used in missionary work except by previous arrangement with the Missionary Department and be it further resolved that we do not give credit for packages and parcels except previously arranged with the Missionary Department."

Note: This may cut down the figures some but will not decrease the amount sent to the mission field. Please cooperate with the Missionary Department and send all funds through the office. Thanks.

The following Missionary conventions and rallies will be held in November and December. Brother White will be with us in the first two, then he must hasten off to Java to get in before his permit expires on Dec. 4th. Sister White, Sister Gladys Robinson, and Brother and Sister A. Verner Larsen will be with us right through.

First convention, Fredericton, N. B., Canada, with Brother Earl Jacques and saints. November 12 to 15th, first service Monday night, last service Thursday night.

Second convention, Parkersburg, W. Va., with Brother J. C. Cole and saints. November 19th to 22nd; first service Monday night, last service Thursday night. We hope this convention will serve West Virginia and Ohio districts, and will appreciate all the brethren coming that can.

Third convention, Picton, Ontario, Canada, with Brother W. R. Pair and saints. November 26th to 29th; first service Monday night, last service Thursday night.

Fourth convention, with Brother Vernon Johnson and Saints in Madison, Wis-

consin. Dec. 3rd and 4th; first service Monday night, last service Tuesday night. All nearby brethren are invited.

Fifth convention, at Apostolic Bible Institute and saints in St. Paul, Minnesota, Dec. 5th to 7th; first service Wednesday night, last service Friday night.

Colored slides and movies of the recent trip of the Missionary Secretary, also movies of our work in Java, will be shown in all these conventions. These missionaries have had from three to fourteen years in Liberia, Java and Colombia. Come and hear what it is like, and what God is doing.

Anyone wishing one of our Missionary Maps of the world for your church or Sunday School, with the pictures of our Missionaries on it, may write to the Missionary Department and ask for one; they are free to all our Churches and Sunday Schools. These will be ready in about three weeks.

## Colombia, S. A.

Greetings to all in the Name of Him who is far above all!

I received your three letters of this month and I thank you very kindly for this service to me as one among the many co-laborers with God. I appreciate this extra at this time when my expenses are a little heavier. I will write to the donors as I always do.

Sister Drost and the children left yesterday for Cali. I am so glad that she could have a month's vacation. She is much better for it and will return much refreshed for further work. I miss them terribly, especially the babies. But I could not take the strain there any longer in such small quarters. As to climate and place, I prefer Cali to Bucaramanga. Here I have a place to pray and study and walk. It is much quieter. I also have a chance to use Spanish which I didn't have in Cali. Brother Ball is fixing over a room and kitchenette for me. He is very good to do these things.

As you know, I can't write anything about my work, etc., for the paper. No doubt, the Drosts will be doing that. They could write a very good account of the work there for God is blessing them in a remarkable way, and he has many pictures. I wish they could send an inside picture of the crowded attendance. The last report they had 120 in Sunday School. They are very good to open new works. I would like to see them open one in Bogata sometime.

I do have something to write of how God protected me recently. Just after I came here a lady missionary teacher invited me to stay with her for a week as all the other missionaries had gone home on furloughs and she was alone. This place, Piedaquesta, is very fanatical. They had been attacked previously. The last night, Sunday, that I was there they rammmed the chapel door with iron bars trying to break in but couldn't. I didn't realize what was taking place until she told me the next morning. Then after I left they blew off a stick of dynamite in the outside wall of the room where I was sleeping. Praise the Lord, I wasn't there then. She said my visit with her was a blessing as it helped her go through it. There was no man on the place, just a girl that she had taken in. The grace of our Lord Jesus Christ be with you as you continue in this glorious service.

Yours for His glory,  
Eleanor Johnston.

# TESTIMONIES and OBSERVATIONS of MISSIONARIES

The general conference that just passed was the best ever attended, the numbers were the largest, and the Christian fellowship and unity of the Spirit was grand. On Missionary day we got started off a bit late, but God was with us. First in the morning service, Mother Holmes and Zola, the little four-year-old girl from Liberia, spoke and blessed us in word and song. Sister Holmes has been a missionary in Liberia over fifty years, and when she speaks, she always brings out some of the rich nuggets dug out of the experiences with God in Liberia. The next speaker was Sister Gladys Robinson home on her first furlough from Liberia. She was a blessing to us all. Then the Missionary Secretary brought a report of his recent trip through Assam near the Burmese border where there are 5,000 people baptized in Jesus Name. He also told of blessings in Travancore where he attended a convention with Brother and Sister Scism and Brother Burns from Ceylon. Then on to Ceylon where Brother Burns has been laboring less than three years, and God is blessing. From there into Iraq and Palestine, then on to South Africa with Brother and Sister Freeman, and to Liberia where God is blessing. Also he told about baptizing two Missionaries in Jesus Name in London, England (they are now on their way to Colombia for their second term). The full Missionary board was present. Brother George Glass, Brother W. R. Pair, Brother Anton Huba and Brother A. T. Morgan. The cash and pledges reached nearly \$40,000.00 which is the highest in the history of the United Pentecostal Church. The Pentecostal Conquerors gladly gave over their six o'clock hour to the Missionary Department, and Brother Stairs showed colored slides of the different mission fields. Sis-

ter White spoke first in the evening service, then Sister Larsen, Brother White and Brother Larsen later. There were some new candidates present, but time did not permit us to have all speak. But, all were blessed, and we thank God for the General conference and Missionary Day. We hope next year to have even a better day by the grace of God and your prayers if Jesus tarries.  
Wynn T. Stairs.

We surely praise God for this 27th Annual Conference of the United Pentecostal Church. Everyday seemed like a day of "sitting in heavenly places." Such Singing! Such instrumental music! And, Such Preaching! It will be lived over and over in my heart and mind, when we again reach the field of our calling — Colombia, South America.

Colombia, our nearest neighbor, yet, most neglected. The land, where 10,000,000 people live and less than 1% have ever received this Glorious Gospel Message. The land where men, women and children call upon DEAD saints, torture their bodies to do penitence to have their sins forgiven, and walk miles to make pilgrimages to some god that cannot hear or answer their cry. What shall we do about it? Jesus said, "Go ye into ALL the world and preach the gospel to EVERY creature. He that believeth and is baptized shall be saved; but he that believeth not shall be damned." Have you obeyed the words of Jesus—"Go Ye"?

You cannot refuse to go to the ends of the earth, and gain the Victor's Crown. The Lord said, "He that taketh not His cross and followeth after me, is not worthy of me." We must be His Witnesses, if we have received His Baptism. You have a place in His great program. If you cannot go bodily, you

can carry your cross materially, and all can sacrifice *time to pray*.

After fourteen years of tears and joys on the mission field, we are home on our second furlough. In June, next year, we look forward to going back to Colombia, South America. Our hearts have two great prayer requests: One is found in Acts 4:29. "Lord, behold their threatenings and grant unto thy servants that with *all boldness* they may speak **THY WORD**." Colombia is a land of great persecution. We have been stoned, ordered out of towns by authorities, and cast out for His Name, but, Praise the Lord, His Word shall not return unto Him void. Today in Colombia there are five of the leading cities, where God has poured out His Spirit upon Colombian flesh, and there is a people who know the power of JESUS' NAME. But, if only five large cities in the United States had received this Glorious Message, we would have a burden to pray the Lord of the harvest to thrust forth laborers into His harvest field. This is our other request: Pray for laborers to go forth. Not only in Colombia, but in other South American Republics, where no one has yet received this Glorious revelation of the power of JESUS' NAME.

As we return to Colombia, we shall never forget this Convention. And, when we reach there, I am sure we shall feel a greater inspiration, a greater responsibility and a greater desire to do our best for JESUS, knowing we are "compassed about with so great a cloud of witnesses." May the benediction of our LIVING LORD be upon each one who bears HIS WORTHY NAME. Brethren, pray for us.

Fayette Larsen, Colombia, S. A.

Here it is nearly midnight, the last night of the conference, and we feel like praising our Great and Wonderful GOD for His blessing. It has been a real feast, day and night, since it started and up to the very last moment. It is wonderful to a missionary, after years of battling, more or less alone on the mission field, to find himself in the midst of a group composed of thousands of precious bloodwashed ones of like precious faith. How our hearts have rejoiced as we heard the praises ascend day after day and night after night for the past week, and then the wonderful messages from the precious Word of GOD. Surely, it has been good to be here, and as we leave Saint Louis, we feel like pressing the battle as never before. We believe that the echoes of this great gathering will reach unto the uttermost parts of the earth. As a missionary, we feel proud of the great message of the United Pentecostal Church, and we wish to use this opportunity to solicit the intercessory prayers of all the readers of the "Herald" asking God to enable us to fill our place in His great Body "preaching the WORD as we ought to preach it."

G. Verner Larsen, Colombia, S. A.

The 27th Annual General Conference of the United Pentecostal Church will be remembered for years to come by ALL who were privileged to attend. For months, as we traveled over the country, we heard the brethren making plans and looking forward with enthusiasm to a wonderful time of fellowship with the Lord and co-laborers in this great organization. Since all of this has now

# ATTENDING THE 1951 GENERAL CONFERENCE

become history. I'm sure ALL will agree it was the BEST ever.

On Friday morning as we met for the opening service, our hearts were melted before the Lord and our innermost being rejoiced with exceeding great joy for the blessing that had been granted us to attend this Conference; the first such blessing in six years. During this very first devotional service, many expressed their desire, not only to receive a blessing, but also to be a blessing. And although that desire has been partially fulfilled in many, yet this great movement shall continue to be a blessing inasmuch as their objective is "to do the will of Him that sent us and to finish His work."

Time and space will not permit us to enlarge upon the good and blessedness of every message, but I believe they were all messages from God through His servants, assuring us of strength sufficient for the day and the test, providing we faithfully fill our place in Him.

This is our (United Pentecostal Church) hour to proclaim this great truth of New Testament salvation through the great God, even Jesus Christ, our Lord. During the Conference there was a marked evidence of love and appreciation one for the other. All seemed to be bound closer together and desirous of helping to share in the burdens and responsibilities of the work set before us, and especially was this manifested on Sunday, the Red Letter day. I believe our fellowship has enlarged and progressed because we have obeyed the Words of Jesus, "Lift up your eyes and look upon the fields for they are white unto harvest." In lifting our eyes, we have not only seen afar, but it has also given us a better view of the need close to us, and the Spirit of Christ has so permeated our fellowship until

we are awakened and seeking to fulfill the great commission of preaching the Gospel to every creature. From all indications, we, the United Pentecostal Church, are on the move for God; and if we will continue to be humble and abide in the love of Jesus, ere too long we shall be rewarded by seeing Jesus and hearing His "Well done."

We are happy to be affiliated with this group of ministers and we sincerely appreciate each one. This Conference has been wonderful, but if Jesus should tarry and permit us to enjoy another such gathering, I feel confident that it will far exceed this one. Thank God, HE is in the midst of His people.  
Helen White, Indonesia.

Praise God from whom all blessings flow. The blessed fellowship of the saints is one of the many blessings, yes, and a major one that prevailed throughout the 27th annual General Conference of the United Pentecostal Church which convened at the Kiel Auditorium in St. Louis, Sept. 21-26 inclusively.

I am sure everyone felt that this was the greatest Conference that we have ever had. Great, because it was the largest attendance ever. Great because of the Spirit of love and cooperation that prevailed throughout the entire Conference.

Having spent the past five years in Indonesia, this was the first Conference I've been privileged to attend since 1945, but I shall long remember it. It was inspiring to see our brethren so closely bound together, even in business meetings. Each song, every prayer, the good music and the testimonies were uplifting; the good messages from the precious Word of God enriched our souls, and urged us on to greater depths in Him.

This Conference has proved that the United Pentecostal Church is on the forward move with the message. Its influence is pervading the whole world. Knowing this, it is expedient that we humble ourselves and use this influence for the glory of God and the up-building of His kingdom upon earth.

I left the Conference greatly encouraged and my zeal kindled. I want to return to my field of labor endeavoring to do more in the future than in the past. God help us to keep the vision and the unity of the Spirit as we enlarge our borders for Him.

# News From The Harvest Field

**MARKS, MISSISSIPPI.** We wish to report a very successful revival with Rev. S. T. White of Mobile, Alabama, doing the preaching. Our revival lasted for three weeks with eighteen receiving the Holy Ghost and twenty-two baptized in Jesus' Name.

Our attendance was so great until all could not get into the auditorium.

Our next step, the Lord willing, is to enlarge our building to accommodate the large attendance at our regular services and Sunday School.

The street and jail services that we have been having in neighboring towns have proved an asset to our church. One man that heard the services in jail drove thirty-five miles and came to the altar seeking the Holy Ghost. Pray that God will continue His presence in our midst.

J. W. Garland, Pastor,  
M. L. Newsom, Secretary.

**CHICAGO, ILLINOIS.** There is now a church open on Chicago's northside for those who have needed a place of worship in this vicinity. We are working in cooperation with the southside First United Pentecostal Church. Our Sunday School started with 14 present and the Lord has been adding to that number since that time. Several years of struggle on the behalf of the pastor, Rev. Alfred Moutrey, is now a reality through the blessed Home Missionary Fund of the Illinois District. You are invited to contact your friends and loved ones in Chicago, telling them of the opportunity to attend another United Pentecostal Church. Ministers in good standing are invited to visit us when passing through. Call information for pastor's phone number.

901 N. Winchester, Chicago 22, Ill.;  
Services: Sunday, Wednesday and Friday—7:45 p. m.

Doris Ritchie, Reporter.

**SMITHVILLE, TENNESSEE.** The Lord has blessed the church here with a wonderful revival. Brother R. G. Jackson from Hohenwald was with us for 5 nights the first week and brought some wonderful messages to the church. He was unable to stay longer but we continued the revival and 8 repented, 14 were baptized in Jesus' sweet Name and 10 received the baptism of the Holy Ghost. The church was greatly blessed. Pray for the work here.

Mrs. Trudie Vickers, Pastor.

**RISING STAR, TEXAS.** We closed a revival here at Mt. Top recently which lasted five weeks. Evangelist Estella Collier was our evangelist. We praise the Lord for His visitation in our midst and for the outpouring of the Holy Ghost on 7 souls, one being baptized in Jesus' Name. We had some of the largest crowds we have seen at a Pentecostal revival in years. Our revival was held under an old fashioned brush arbor. Sister Collier would be a blessing to any one who desires a good evangelist.

H. R. Guyton, Pastor.

**BROWNWOOD, TEXAS.** God has been so good to us here in this place. He has blessed us both spiritually and materially. In the last year, a number of souls have prayed through to the Holy Ghost and others are seeking God. By the help of God, we have paid off a four thousand dollar debt with which we purchased our church building. A good brother of the church took it upon himself to build a baptistry, for which we thank God. On July 29 we dedicated our building to God. Brother J. E. Nolan of Dublin preached the service. God richly blessed. Since then God has permitted us to obtain a parsonage and by His help we'll pay for it. Pray for us that we'll be vessels for His glory.

Brother F. L. Williams, Pastor,  
Sister Chlorene Fisher, Reporter.

**MAYFLOWER, ARKANSAS.** Having closed a week's revival with Evangelist Orville and Ann Overton of Rockford, Illinois, we are happy to report victory in Jesus. Eleven repented of their sins and six were baptized in Jesus' Name. Sister Overton was in charge of a special children's service each night which has proved to be a real blessing. We are expecting greater blessings in the First Pentecostal Church of Mayflower. Rev. William Aycock, Pastor.

**MONTGOMERY, ALA.** We have just closed a Revival here in Montgomery with Rev. Paul Welch as our evangelist. The church as a whole was helped to grow closer to God as well as being bound closer together by God's love. In the Revival one received the wonderful gift of the Holy Ghost. We Praise God for that one. Others were seeking God. We have a good group of Pentecostal Conquerors here in Montgomery. Pray for us in Montgomery as we go about our Father's work in these last days.

Rev. Joe L. Lane, Pastor,  
Faye Lane, Reporter.

**COOLIDGE, ARIZONA.** We reopened the church here that has been closed for some time. This is about our 6th week here and the Lord is blessing. More people are becoming interested and we had a good service and a real blessing from the Lord tonight, September 30th. But we need the prayers of all God's people as this is a hard field but we know God is able to overcome all evil.

Gilbert D. Pearson, Pastor.

## Northwestern District Convention

The annual fall District Convention of the Northwestern District will meet in Walla Walla, Washington, on November 6, 7 and 8, with services three times daily. Major emphasis of the services will be along Sunday School lines and will be under the supervision of our District Sunday School Superintendent, Brother George Sponsler. Services will be held at the Central Christian Church at Palouse and Alder Sts. in Walla Walla. Rooms will be furnished as far as possible but meals will not be furnished by the convention.

We had a wonderful day on September 30 when we commemorated the anniversary of the Lamar Pentecostal Church. The Lord has wonderfully blessed our efforts under the leadership of our pastor, Bro. W. M. King, who founded the church five years ago. Our day began with the weekly radio broadcast from 8:00 to 8:30 a. m. over station KTRM. We broke our Sunday School record with 212 in attendance. Dinner was served on the church lawn to more than 300 persons. Brother J. T. Pugh from Port Arthur, Texas, preached the anniversary service message. We praise the Lord for all His blessings to us here. When passing through Beaumont, you are invited to visit our services. Pray for us.

## New England District Camp Meeting

The Annual Camp Meeting of the New England District was held on the United Pentecostal Camp Grounds at Old Town, Maine, from August 26th to September 3rd, inclusive. It was one of the best camp meetings we ever had. The presence of the Lord was present during the entire camp. Many were to the altar and five or six received the Holy Ghost according to Acts 2:4 and fifteen were baptized in Jesus' Name.

Brother George L. Glass of DeRidder, Louisiana, was the evening speaker. We enjoyed our brother's stirring messages and also enjoyed the fellowship of Brother Glass and his good wife and son Jimmie. God bless them. We hope they will come again. Each afternoon Brother Earl Jacques from Fredericton, New Brunswick, Canada, brought some rich spiritual food from the Word. Brother Jacques is an able Bible teacher and his messages were a real blessing to the camp. May the Lord richly bless our brother and we trust that he will be with us again next year. We were pleased to have with us again last year's speakers, Sisters Charlotte and Nilah Rutledge.

On Missionary Day, Brother and Sister Verner Larsen from Colombia, South America, were present and gave reports of the Jesus' Name work there. Brother and Sister Mowatt, out-going missionaries to Ceylon, were also present. During the evening service Brother Wynn Stairs showed pictures of his recent trip to South Africa, Palestine and Ceylon. They were interesting and also showed the great need for other workers and prayer warriors. We were privileged to have a large group of preachers and workers present. Among them were Brother G. W. Stanley, District Superintendent of the newly formed Eastern District; Brother Earl Jacques, Maritime District Superintendent; Brother W. R. Pair, Ontario District Superintendent; Verner Larsen, District Superintendent of Colombia, South America, and our own District Superintendent, George W. Cook.

Before camp last year we built a new tabernacle 55' x 60' that would seat 500 or more people. This summer we covered it with brick siding and built two more cabins; one single one and a double one for the Missionary Department and also made a number of improvements in the kitchen. The Missionary Cabin is large enough to accommodate two families. It was built for a place for all our missionaries to stay during a camp or whenever they are around this part of the country. Through offerings and pledges taken this year and last, our camp ground and buildings are free from debt. Praise the Lord! We are hoping to have more and better accommodations for the people next year, Lord willing. Our district is only small in number but we feel the Ark is coming up the road. The Glory is the Lord's. Please remember us in prayer.

George W. Cook, District Supt.,  
T. Alton Stewart, District Secretary.
